Old Settlers Day sidelights: Everyone worrying about costumes ("do you think I could sqeeze into Grandma's best taffeta jacket?") . . . last minute parade entries. . . folks who want to know where to have a sign painted. . . last minute decisions on float decorations. . . it all adds up to Campbell's special, traditional fete.

* * *

Campbell Methodist Church is co-operating with Old Settlers Day committee by having the church parlors open from 10 a. m. to 5 p. m. Saturday for all who wish to rest during the program of events. Mrs. R. Lewis Brown will serve as hostess there.

* * *

Chellon, a prize Peruvian stallion with gait said to resemble a cat's, will be ridden in the parade by Leo Frank, riding instructor at Montezuma School for Boys. That's not to mention a white Arabian purebred that is half-brother to Hirohito's famed white stallion and all together a dozen fine horses and riders from the school.

The bay Arabian stallion you'll see Robert Beltran riding is Rocco, great grandson of famous Skowronek, owned by Lady Wentworth of England.

Crack riding groups and single entries are providing themselves some fine competition for Saturday's showmanship.

* * *

But we thought the "Old days" were coming back too realistically Wednesday, when, in the midst of our little flurry not one, but two magazine salesgirls called on us. And what do you suppose? They say they are working their way through college; 'Nuff said.

* * *

Wm. C. Henley tells us the Moorpark School is nearly ready for moving day—Teachers and pupils look forward to occupying the brand new building the second week in March—which ought to call for a celebration of it's own—and provide a good deal more elbow room in Campbell Grammar School.

Have you heard about the grammar school hopeful from a midwestern state who recently wrote the Campbell Chamber of Commerce a postcard asking for "all the imformation on the state of California, as we are studying the states, and I got California"?

Request has been tabled until after Old Settlers Day, we hear.

Chart Red Cross Annual Drive

Mrs. Clarence Fagalde, vice president of Campbell Chapter, American Red Cross, and Fred Jones, Sr., campaign manager, have called a meeting of workers for the 1948 drive for 8 p.m. Thursday, Feb. 26, in the Little Theater of Campbell High School.

Volunteer solicitors will be welcome at the kick-off meeting, Mrs. Fagalde said. Executives from the district Red Cross headquarters will briefly explain the need for equalling or exceeding last year's quota and campaign kits will be distributed.

Campbell has been asked to meet the 1947 quota of $2500, although other chapters will increase the total asked in this district.

Officers of the local chapter are Mrs. Archie Keesling, chairman; Mrs. Fagalde, vice chairman and acting chairman during Mrs. Keesling's absence; Mrs. E. C. Farnham, secretary-treasurer; Mrs. E. F. Smith, Ira Grim and Guy E. Farley, directors; C. P. Klassen, first aid chairman, and L. J. Carboni, disaster relief chairman.

In reviewing the Chapter's record of accomplishment in 1947, Chairman Fagalde cites the following totals: Some 1500 volunteers worked 19,627 hours in community service. The Chapter assisted 3,526 veterans and their families, including 813 psychiatric cases. It certified 449 persons in First Aid and 989 in Swimming. It furnished 3.989 pints of blood free to residents of the Chapter area. Volunteers visited 9,344 patients in Palo Alto Veterans Hospital, transported 4,031 persons on errands of mercy and made and assembled 5,750 garments for local relief and overseas shipment.

York Avenue Owners Ask Roadway

York avenue property owners in Campbell have presented a petition to Santa Clara County Board of Supervisors to have the road surfaced. The petition was signed by every property owner involved.

Monday, Feb. 16, they were assured by County Engineer Chandler that he will take the necessary steps in surveying the right of way which runs from Pollard road to Walters avenue across the Creek from the new San Tomas School.

After surveying is finished, a deed will have to be signed by each property owner before anything further can be done.

Pastors Exchange Pulpits Sunday

The Rev. Benton S. Gaskell, pastor of San Mateo Congregational Church, will preach at the 11 a.m. Sunday service in Campbell Congregational Church.

Mr. Gaskell received his training at Hartford Theological Seminary and served as a chaplain during the war.

Rev. Robert L. Carlson of the local church will conduct the morning service in the San Mateo church.

Congregationalists will meet for their February Fellowship supper Wednesday evening, February 25.

Save Old Papers, PTA Urges

Ah, Ah, Ah! Don't burn those papers!

You'll see a lot of little red wagons filled with paper next week as youngsters of Campbell Grammar Schools begin the pick up for an old-paper drive Feb. 24 to 28.

Grammar School PTA's are sponsoring the drive to benefit their school projects and will give a prize to the class room turning in the most paper and a prize to the pupil who collects the most.

Mrs. J. R. Longfellow, Mrs. C. M. Clever and Mrs. Charles A. Freude head the PTA committee. Grammar School doors will be open all morning a week from Saturday to receive last-minute donations.

Supervisors Okay Charter Plan

The move for a county charter for Santa Clara County received added impetus Monday afternoon when the Board of Supervisors acceded unanimously to a petition of the Citizens Charter Movement to place the names of prospective freeholders on the June primary election ballot by ordinance.

Assemblyman Robert C. Kirkwood of Saratoga, speaking for the Citizens Charter Movement at the public hearing, pointed out that this action by the Board would save the large costs of a special election, as well as the time and expense involved in circulating and checking petitions requiring approximately 10,000 valid signatures.

In addition to the written endorsements of over 300 representative county residents, the procedure recommended by Kirkwood received organizational support submitted by representatives of the League of Women Voters of Palo Alto; League of Women Voters of San Jose; Social Action Committee of the First Congregational Church of San Jose; and San Jose Branch of the American Association of University Women.

The Supervisors' prompt action paves the way for placing on the June 1 ballot names of prospective freeholders, who will be charged with preparation of a County Charter to be submitted to the electorate in November.

S.J. State To Present "Medea" Mar. 4 to 8

In rehearsal at San Jose State College is the speech and drama's first major Greek play. It is Euripides "Medea," to be presented in the Little Theatre March 4 through 8. Dr. James Clancy is directing and Dorothy Lyon has the title role.

"Medea" is playing on Broadway with Judith Anderson in the title role. The drama department had decided, long before the Broadway production opened, to produce the play in its new adaptation by Robinson Jeffers, the Carmel poet. No difficulties were anticipated, even after the Broadway production got under way last October. No one, not even the producers, expected "Medea" to run very long. It has startled everyone by blooming into one of the big hits of the New York season, and as a result, State College lost its right to use Jeffers' adaptation. Director Clancy met this difficulty by writing a new adaptation.

Euripides is produced oftener than either of the other two famous Greek playwrights, Sophocles and Aaeschylus, because in Euripides' plays there is a more psychological approach and the characters seem more human, according to Clancy.

In addition to Dorothy Lyon, others in the cast are John Calderwood as Jason, Roxana Hildreth as the Nurse, James Forster as Creon, Donald Holladay as Aegeus, Ivan Van Perre as the Tutor, and a Chorus of Women composed of Marian Jacobson, Stella Pinoris, and Letitia Kendall.

Adventists Report On Offerings

Eighty-four Seventh-day Advntist Churches in the Central California Conference last year received total offerings of $1,501,807, it was announced by C. L. Torrey, denominational treasurer for the west coast area. This represents a per capita contribution of $176.10.

Of the total amount $337,922 was given for the support of foreign missions. During the year the denomination continued its relief activities by sending overseas 700 tons of garments to bring total donations in cash, food and clothing to $6,000,000. Central California Adventist women's groups, known as Dorcas societies, have been active during the year in the clothing drive.

The church's budget for 1948 is $14,500,000, highest in the denominations' history.

RIGIN OF OLD SETTLERS DAY

Campbell's Old Settlers Day is the oldest annual community celebration in Santa Clara county and, except for the Pasadena Tournament of Roses, perhaps the oldest in the state. The San Jose Fiesta, the Los Gatos Pageant, the Saratoga Blossom Festival and the Gilroy Rodeo are all younger and lacking in continuity.

The Campbell celebrations extend back almost to the beginnings of the town when there were scarce a dozen buildings and when the average daily attendance at the school was thirty pupils. The following facts pertinent to the origin of the day have been taken from the Campbell Notes appearing in the San Jose Mercury:

"1892, July 2: It has been feared that the absence of so many of our citizens (on vacation) would make our flag raising a tame affair, but the enthusiasm is increasing and it is now decided not only to have the flag-raising but also a picnic dinner. It is hoped that everyone in the vicinity will come and bring a basket of provisions. if convenient, but come anyhow. July 13: The flag raising on the Fourth was a decided success. The speeches by Senator Conklin and Judge Myrick were listened to by a full and attentive house. (E. C. Hurlbert, later editor of the Campbel Visitor, believed that Col. McGlincy was chairman, Judge Blaine recalls a baseball game on the drying grounds in the afternoon.)

"1893, Mar. 2: An "Item Sociable" at the house of Mr. and Mrs. Wingate on Leigh Avenue was well attended. The items on Columbus and Washington were well chosen. June 22: Wednesday night in the reading room it was decided to have a basket picnic in the drier building, arrangements to be made by F. M. Righter, John Duncan, Dr. C. N. Cooper, Mrs. Conklin, Mrs. Ellis and Mrs. Whitney. July 1: Judge Myrick and Col. Hersey will both address our citizens on the Fourth. Bring your baskets and join in the general good time. Tables will be set in the large drier room. July 4: Gathering of about 300 at the drier. The speeches were well given and well received; piano solos by Mrs. Hardy of Oakland and Fanny Janes (Mrs. Merrill). Mrs. William Duncan sang the Star Spangled Banner, the audience joining the chorus. The closing song was America, after which came the call to dinner. Baseball in the afternoon.

"1894, Feb 21: The ladies of the Congregational Church are to give a Washington's Birthday social supper at the home of Dr. C. N. Cooper on the eve of the 22nd. All are invited, supper from 6:00 to 8:00.

"1895, Feb. 22: People gathering from near and far at 10:30 in the Town Hall. Hon. E. B. Conklin was called to the chair and after a few appropriate remarks called upon the male quartet, who led in America, while Mrs. Foote presided at the piano. Judge Myrick was then called upon and gave a half hour's talk. He described the home of Washington at Mt. Vernon and gave tribute to Washington. Benjamin Campbell, the proud founder of our village, gave an account of his journey here from the East and of the pioneers of the valley. His little speech has been copied and will be preserved in annals of the town. The audience adjourned to a large room in the Willett block where was spread the contents of the various baskets. F. M. Righter acted as toastmaster and the following responded: D. A. Coates, Daniel Ross, Mrs. Benjamin Campbell, Mrs. Coates, Rev. Wm. Windsor, S. A. Moulton, Mrs. Poor, Judge Myrick and Mr. Spitzer, county assessor. Action was taken to make permanent the celebration of Washington's Birthday for the gathering of neighbors and friends as a social festivity. Long may this custom continue, cementing more closely the lives and interests of those who are endeavoring to make Campbell such a place as will attract the better classes to our midst, as permanent settlers."

Every year Old Settlers Day has been similarly celebrated in Campbell. "So popular have these gatherings become", observes the reporter for the celebration of 1896, "that they are looked forward to by old and young as the day of days." The fragrance of blossoming orchards added to the enjoyment.

Among the speakers who have addressed the gatherings down through the years have been eminent judges, college and university presidents, a lieutenant governor, a dozen outstanding Stanford professors, half a dozen from the University of California, state senators, army officers, government men, and more than a dozen leading churchmen from San Jose, Berkeley and San Francisco.

TABLE SYRUP, MOLASSES MADE FROM ALMOND HULLS

BERKELEY, Feb. 19.—Table syrup and crude molasses for livestock feed have been suggested as two possible new uses for dried almond hulls by Dr. W. V. Cruess, University of California College of Agriculture food technologist, after several months' work with students John Kilbuck and Ernest Hahl to find new uses for the hulls.

At 25 per cent sugar content, which is quite high, a ton of hulls will produce about 800 pounds of refined dry matter, worth about $80, which can be processed into at least 100 gallons of syrup or molasses.

"Almond hull syrup probably would cost about twice as much to produce as other syrups," Cruess estimates, "but there probaly would be a demand for it now. Possibly sugar beet factories could use the hulls to make refined table syrup in the off season."

Besides syrup, the hulls have commercial possibilities as a source of tannin extract for tanning leather, but they are a money loser, except for the largest distilleries, if converted into brandy or alcohol. Both tannin extract and alcohol can be obtained from the same lot of hulls, but not syrup and tannin.

Almond hulls are used widely now as livestock feed, but Cruess found their protein content is low, only about three and one half per cent. He advises waiting for the results of a full-scale experiment directed by W. M. Regan, animal husbandry professor at Davis, to learn their feeding value.

PTA Contributes To Vacation Center Fund

Past presidents were honored at the February Founders' Day meeting of the Campbell High School PTA held Wednesday, Feb. 11 in the Bucs' Cove. Past presidents present were: Mrs. Emily Duncan, Mrs. J. W. Knowles, Mrs. F. A. Jacobson, Mrs. A. Jurras, Mrs. C. E. Fagalde and Mrs. R. Flagg.

After the Easter vacation problem was presented by Hill, the group voted to contribute $100 towards a recreation center for Campbell students at Santa Cruz during Easter vacation.

The subject of Saturday night activities for high school students was discussed. Hill offered the use of the high school facilities for any chapioned parties.

Mrs. J. W. Knowles and Mrs. C. E. Fagalde gave reports on the district meeting at Palo Alto. President Mrs. Alred Weltz announced that all officer and committee reports are to be turned in by the March meeting date. A movie and radio chairman report was given by Mrs. C. M. Gilbert. Mrs. R. Flagg, Mrs. J. Gleed and Mrs. R. Carlson were elected to serve on a nominating committee.

Marimba numbers were played by Pat Saunders, a senior student. The Moorpark unit were guests. Refreshments were served by Mrs Don Woods, chairman, and her committee.

Transportation With a Pull

In every form of transportation — land, sea and air — it's pull that counts. The most economical way of transporting loads is by pulling them. On the highways, over 90% of all motor freight is handled by truck-trailer combinations. A railroad locomotive pulls scores of freight cars. On inland waterways, tremendous tonnages are transported by tugs and barges. And, during the war, troops as well as supplies were often moved by fleets of towed gliders. As one leading equipment manufacturer puts it, "You can pull far more than you can carry!"

O'Connor Workers

Continued from Page 1.

M. E. Pickworth, member of the O'Connor Hospital medical staff, Patrick H. Peabody, campaign general chairman, and Jerry O'Brien, valley chairman of the campaign field organization committee.

O'Brien co-ordinates the activity of the committee in Campbell with the other groups organized in all the Santa Clara Valley cities and towns served by O'Connor's, which are campaigning to raise funds toward building the new hospital.

The new O'Connor's, with facilities for 300 patients, will replace the present outmoded building and will cost $3,000,000.

Subscriptions are being sought for half that amount from the general public. Contributions will be matched, dollar for dollar, by the Sisters of Charity, who administer the hospital.

Bucs To Meet Gilroy Friday

Hoping to break their streak of two straight league defeats, the Campbell High Varsity travels down to Gilroy Friday night for a SCVAL tilt with the Mustangs. The local 'thirties also have high desires and expect to chalk up their second league victory for the season.

Although heavy favorites the Buc Varsity could get quite a surprise for Gilroy has several very capable performers namely Antuna, forward; and Luft, center. Both showed up well against Mt. View Campbell's next opponent, in a contest played last week. Probable starting lineups for the varsity game are: Gilroy-Navaroli and Antuna, forwards; Luft, center; and Toroni and Payne manning the guard positions. Campbell-Dayton and Maginetti, forwards; Cantoni or Howe, center; and Gazay and Corsiglia, guards. Little is known about the Mustang '30's but they are the last team in the league and shouldn't give the "Bucet's" too much trouble. DeVilbiss, Beth and Williamson should pace the 130's.

BUCS 'THIRTIES WIN FIRST GAME

Outscored, but never outfought the Campbell Varsity removed themselves from title contention by dropping a 30-38 tilt to Washington High, Feb. 6. The 'thirties won their first game of the year in the prelimnary 38-28. The heavyweight loss was dce to primarily to their slow start which found the Huskies leading 11-2 at the end of the first quarter. In later periods the Bucs rallied, but could never could make the victors.

The Winchester-Campbell Merchants

The Winchester-Campbell merchants welcome our guests for Old Settlers Day. Most of our stores will be open to receive visitors, except for perhaps a couple of hours during the parade. Drop in for a visit, browse around, enjoy yourself. And remember, luncheon will be served at the High School Cafeteria at 11:30 a. m.

The above picture was loaned to the Campbell Press through the courtesy of Mrs. C. E. Goodridge, a long-time Campbell resident. It is from the collection of her son, George Lee Goodridge, a student of Campbell High School.

The scene depicts the planting of the large Redwood tree on the corner of Campbell avenue and Winchester Road on the property occupied by the Richfield gas station. Teddy Roosevelt, then campaigning for president, is seen in high silk hat holding the shovel. In the center of the picture is Benjamin Campbell, founder of the town who first came here from Missouri in 1850.
